

Villa Les Dauphins

Saint-Jean-Cap-Ferrat, France

Perched on a small hill in the illustrious St-Jean-Cap-Ferrat, renowned as one of the most exclusive peninsulas in the world, stands the magnificent Villa Les Dauphins.

This splendid residence spans three floors and represents perfect harmony between belle-epoque design and modern, contemporary facilities, all set against the stunning canvas of the French Riviera. The villa offers an expansive 520 m² of elegant living quarters, intelligently designed across three floors.

A guest lift as well as a staff lift ensure effortless accessibility across all levels, including to the panoramic rooftop terrace.

This breath-taking space offers unparalleled views of the Riviera and the Mediterranean Sea, serving as an idyllic setting for entertainment or serene relaxation.

Villa Les Dauphins boasts six stylish bedrooms, each offering perfect tranquillity.

The exceptional master suite commands its own space with a luxurious private bathroom, a private lounge with a home cinema, and a private terrace overlooking the crystal-clear waters of the Mediterranean.

The other suites each offer impressive volumes, floor-to-ceiling windows to bathe the room in natural light, and ensuite bathrooms for absolute privacy.

The villa has an extensive living area spread over a sizeable 150 m² on one floor, characterised by light-filled ambience and sophisticated comfort. An open dining room enhances this space by providing an elegant environment for hosting gastronomic soirées or intimate family dinners.

This space also includes an immersive cinema space, ideal for enjoying the latest blockbuster or watching sporting events, with state-of-the-art audio-visual systems. Furthermore, the villa has a fully equipped gym, containing a range of cardio equipment and a large selection of weights for our more active guests. The premises are also equipped with the most modern home automation systems, including automatic lighting, climate control, top-of-the-range security systems, and Starlink Wi-Fi.

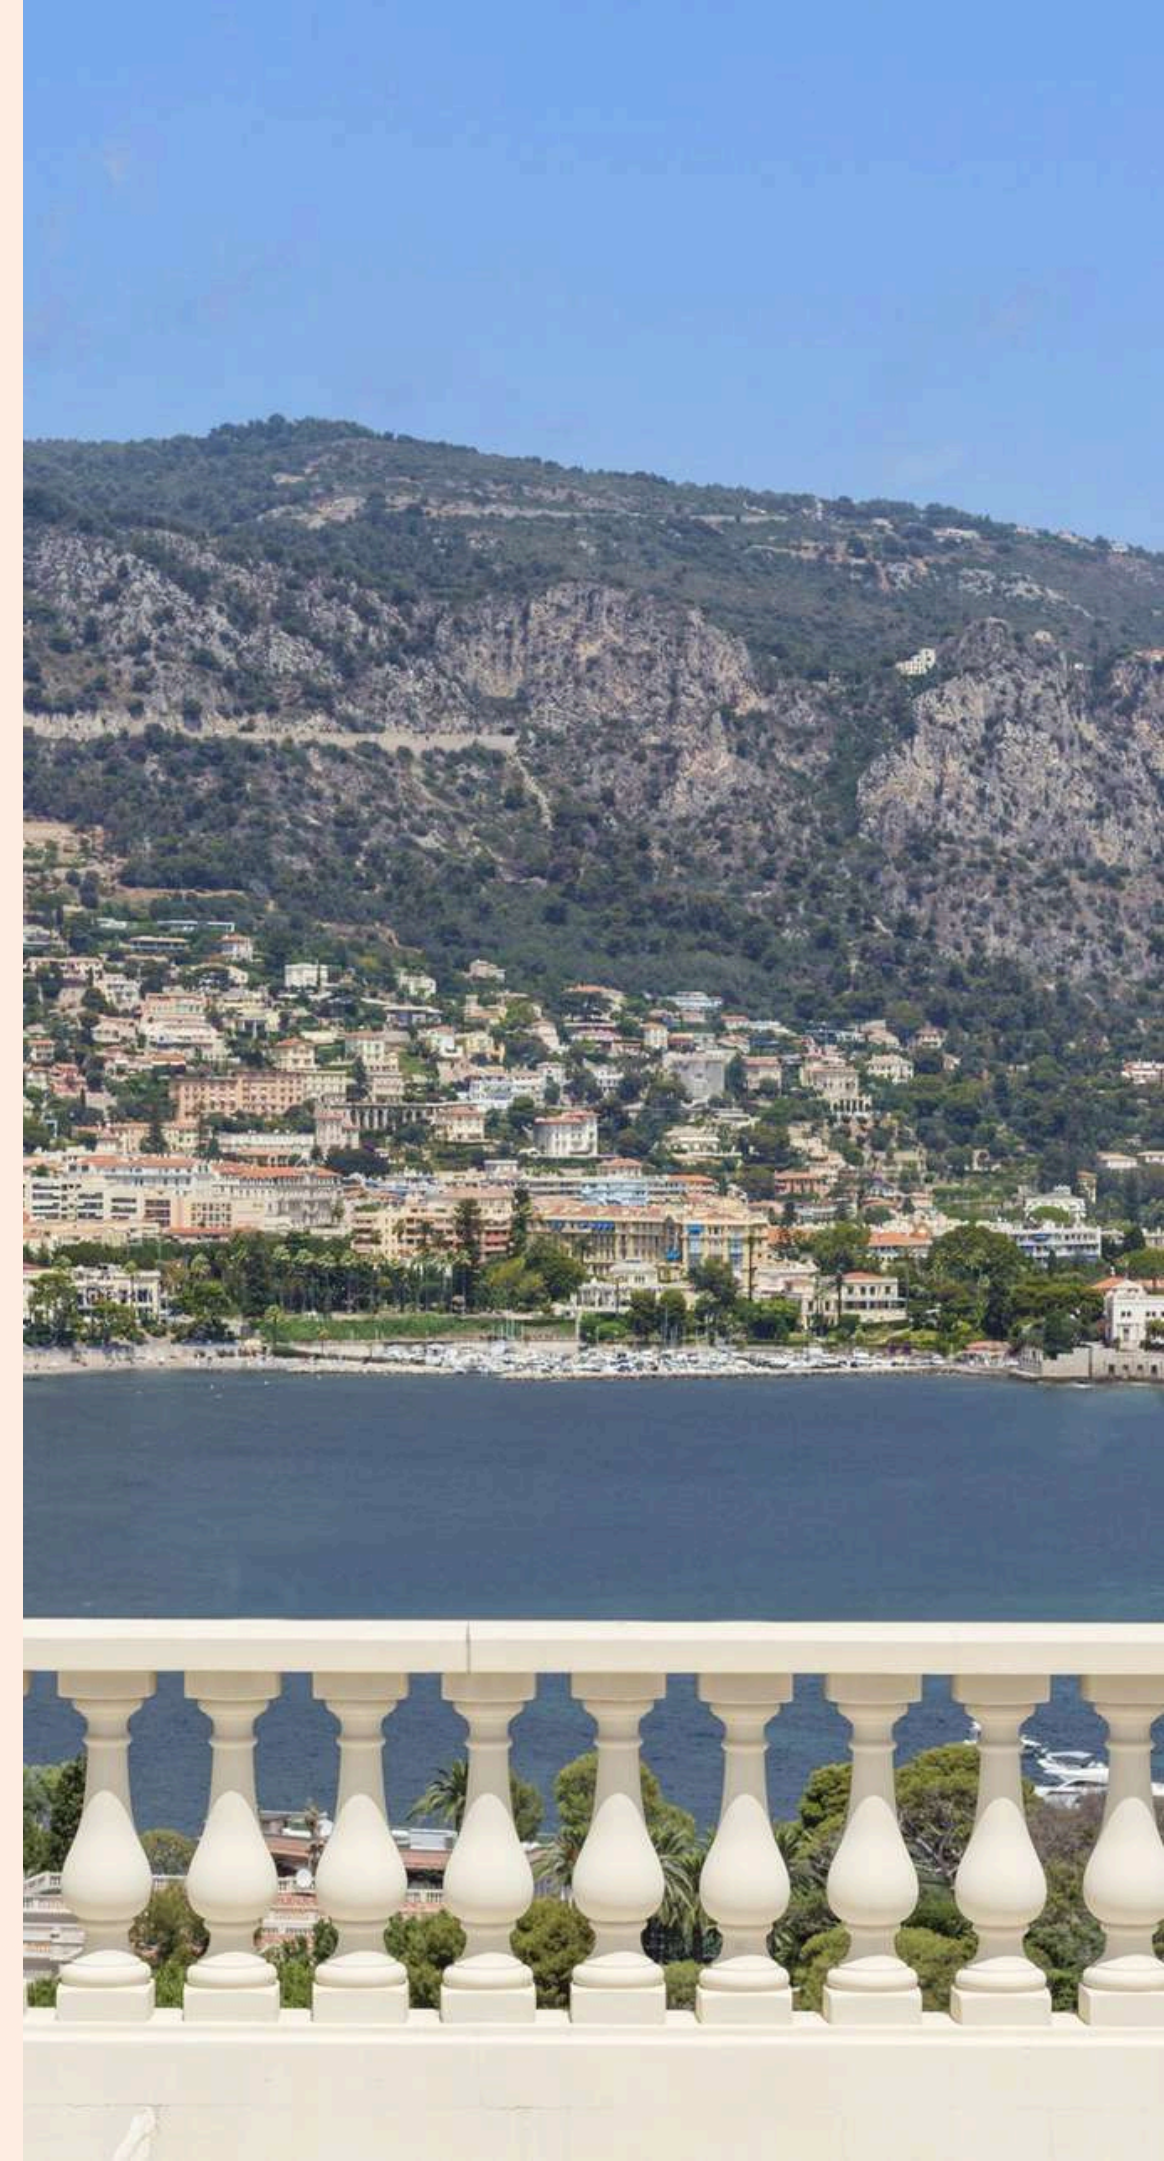

Complementing the villa's grandeur is a heated swimming pool measuring 10x4 metres, offering leisure all year round. The pool area includes a spacious terrace surrounded by lush greenery, outfitted with luxurious sun loungers and outdoor furniture, providing the perfect space to enjoy the Riviera's golden sunshine or indulge in a refreshing poolside cocktail. An elegant al fresco dining area is ideally located on the main floor, protected from the elements to ensure the height of comfort for guests.
